## GETAWAY WITH POWER

Open yourself up  
to the open air.

### REGAL ADVANTAGES

#### FasTrac Hull Design

The FasTrac hull gives you more control on the water, with 26% faster speeds, and at the fuel pump, with 30% better fuel efficiency.

#### Social Seating

The multi-position backrest on the 1900 ES gives you the functionality of a bucket seat, combined with the social cockpit of an arena seat.

#### Transom Walk-Thru

The transom walk-thru makes boarding easier and keeps your upholstery looking like it did in the showroom.

#### Wide Beam

The 1900 ES features the widest beam in its class. A wider beam means more space while you're out on the water.

#### Fiberglass Hatches

Regal does not cut corners where many others do. All hatches are color-matched fiberglass.

#### Fusion 600 Stereo

The Fusion head unit has full integration for your iPod/iPhone, which can be enclosed in a waterproof dock and has AM/FM/Sirius Capability.
