A FAMILY COMPANY

Duane Kuck, President & CEO
Tim Kuck, Executive Vice President & COO

For 45 years Regal has been building more than boats, we have been building relationships. As a family owned and operated company with three hands-on generations sharing one vision and one mission, Regal has achieved the highest customer satisfaction ratings in the industry time and time again.

The entire Regal team, many being twenty to thirty year veterans, is focused on designing, engineering and manufacturing yachts that produce best-in-class recognition from owners and the most influential in the worldwide yachting community.

Whether you're a Regal owner, considering Regal, new to boating or simply have a passion for the water, we invite you to tour Regal's manufacturing facility and the industry's first premier factory showroom. Located in Orlando and minutes from the International airport, you'll find every Regal Yacht on display and factory staff to answer your questions. For additional information on tour times and showroom hours, please visit www.regalboats.com/showroom. With over 30,000 Regals on the water in over 50 countries, you'll soon discover why your next yacht should be a Regal Sport Coupe. Experience the Regal life.
