## REGAL ADVANTAGES

### FasTrac Hull Design

The FasTrac hull gives you more control on the water, with 26% faster speeds, and at the fuel pump, with 30% better fuel efficiency.

### Transom Walk-Thru

No one should step on upholstery or climb over a sunpad to enter a cockpit. The Regal 2250 agrees.

### Sunpad

The sunpad on the 2250 features an adjustable chaise lounge backrest.

### Sliding One Piece Door

You may have to crawl into the cabin of competitors' cuddies with bi-fold doors, however, the 2250 offers entry via a sliding cabin door.

### L-Shaped Seating

The large L-shaped seating in the cockpit keeps all your guests comfortable while under way.

### Fusion 700i Stereo

The Fusion radio has full integration for your iPod & iPhone, which can be enclosed in a waterproof dock, and has AM/FM/VHF capabilities.
