BEAM 8' 6" 2.6 M	DRY WEIGHT 4,100 Lbs 1,859 Kgs
DEADRISE 20°	MAX CAPACITY 12

1 | FasTrac Hull Design: The FasTrac Hull Design gives you more control on the water with up to 26% faster speeds and up to 30% better fuel efficiency.

2 | Social Seating: The multi-position backrest on the 22 FasDeck gives you the functionality of a bucket seat, yet converts quickly to an arena seat to maximize cockpit seating.

3 | Most In-Class Cockpit Seating: More seats in the cockpit gives more room for more family and friends.

4 | Transom Seating: The transom seating provides flexibility for socializing with those in the water and with a flip of a seat, doubles as a transom walk-thru.

FasDeck ESX

COCKPIT FEATURES

1 | Low To The Water Swim Platform: The swim platform is easy to board and completely covers the drive. When equipped with the optional SeaDek mat, this platform feels as good as it looks.

2 | Transom Walk-Thru: The 22 FasDeck's transom walk-thru makes boarding safe and keeps the upholstery clean.

3 | Interior Design: Color-matched stitched vinyl, stainless steel hardware and chrome accents adorn the 22 FasDeck for an edgy look, soft feel and long lasting cockpit.

4 | Most In-Class Storage: We designed every inch of this FasDeck with maximum capacity and cargo space.

4 | Premium Helm: Hand-wrapped, hand-stitched vinyl meets chrome and stainless steel trim to please the hand and eye.
